

GCSE FINAL EXAMINATION DATES SUMMER 2019

Below is a list of dates for the Key Stage 4 GCSE examinations, to be held at Crofton Academy for the Summer Season 2019. Exam Boards will not award grades in any subjects, where the student is absent for reason of holidays. Therefore parents/carers need to avoid these dates when booking holidays. If a student misses an exam through illness, a doctor's note will be required before the Exam Board will award a grade. **Students also need to be available until Wednesday 26 June as this is a 'contingency day' JCO and the awarding bodies have designated in case of local or major disruption to the examinations system affecting a significant numbers of candidates.**
