

CAREERS LINKS TO THE GATSBY BENCHMARKS

As a school we are working hard to meet the Gatsby Benchmarks – a set of standards that underpin an excellent CEIAG provision.

The Benchmarks are:

Benchmark 1

A stable careers programme

Benchmark 2

Learning from careers and labour market information

Benchmark 3

Addressing the needs of each student

Benchmark 4

Linking curriculum learning with careers

Benchmark 5

Encounters with employers and employees

Benchmark 6

Encounters of workplaces

Benchmark 7

Encounters of higher and further education

Benchmark 8

Personal Guidance

We aim to meet these benchmarks through a range of experiences and opportunities for our pupils from Year 7 – Year 11. This is obviously a 'live' programme and is evaluated and modified as opportunities take place and become available. In the Values programme/lessons you can find explicit links to CEIAG for each year group:

Year 7

- Explore your skills and what employees want.
- Understand behaviours for work.
- Meaningful interaction with an employer.
- Problem solving activities/changing one's mind

Year 8

- Investigate subjects linked to careers.
- Option choice support linked to aspiration.
- Decision making.
- 'Fast Tomato' exploration / careers advice.

- Meaningful interaction with post-16 and post-18 providers.
- 'Which Way Now' booklet to use in school and at home.

Year 9

- Investigate the world of work and how careers change / evolve.
- Look at 'Labour Market Information' and identify skills needed by employers.
- Explore the different pathways to work - college / university / apprenticeships etc.
- Explicit teaching of career choice linked to specific subjects in 'Careers Week'.
- Growth mindset work linked to resilience and aspiration.

Year 10

- Meaningful encounter with employer [TBC].
- Support/advice using eClips.
- Assemblies linked to Taster Days and the need to explore opportunities - aspirations discussed too.
- Taster Day trips.
- Preparation for Mock Interviews: CV work / produced; interviews explored; communication and self-confidence lessons.
- Meaningful encounter with employer [TBC].

Year 11

- Exploration of post-16 and post-18 options.
- Assemblies from a range of post-16 providers.
- Application advice and support.
- Employability skills and eClips use.
- Apprenticeships, universities, colleges and various pathways.
- Labour Market Information.
- Aspiration.
- Mock interview.
- Work experience.

This overlaps with the Values Lessons looking at resilience, respect and decision making etc.

The benchmarks are presently met : through a variety of lessons (Values and across the curriculum); through assemblies and encounters with colleges and employers; through extra-curricular experiences and trips/visits; through 'drop down' days and through opportunities at parent/pupil events e.g. Parent Consultation evening, Option Evening and our Careers Fair.

	HALF TERM 1	HALF TERM 2	HALF TERM 3	HALF TERM 4	HALF TERM 5	HALF TERM 6
Year 7	BM3 – organisation BM2 – eCLIPS BM3 / 4 / 7 – Leeds Uni trip	BM3 – motivation BM5 – safe places day BM4 & 7 – Discovery day Leeds University	BM3 – Chinese Lion (aspirations)		BM3 – Resilience	BM 2 & 3 – Careers Personal strengths for employment Behaviour for work Problem solving Challenge/reflection
