### TRAVEL TO THE HOME OF CHOCOLATE!

## How Do I Sign Up?

- There are three ways that you can be part of the challenge.
- Join the Strava fitness app (free to download) and sign up to our club <https://www.strava.com/clubs/croftoncommunitychallenge> or search 'Crofton Community Challenge' in the clubs.
- Tweet us your progress (photo evidence optional, but preferred) – @pecrofton #CroftonEasterChallenge.
- Submit your miles by attaching the evidence to the Google Classroom assignment on the year group stream

## Important Guidance Before You Begin

- Parents/guardians must give you permission to download the Strava app or twitter and to post any pictures (students can add their miles to Google Classroom if preferred).
- Parents/Guardians must give you permission to leave your house for exercise. If you are unable to do so, complete the task in your garden, recording a rough distance.
- If using Strava – Go in ‘Settings’ – ‘Privacy Control’ – ‘Privacy Zones’. Set a 1km radius around your house to hide your house location.
- If using Twitter – Do not use your full name. First name and last initial only, eg, ‘John S’
- Always tell someone your intended route and your expected return time.
- Only exercise during daylight hours.
- Dress appropriately for the weather.
- Keep to the pavement wherever possible while running/walking/jogging alongside roads.
- Try and exercise with a family member. If you are meeting someone from another household to complete the exercise, you must stay 2m apart.
- Please remember to exercise in accordance with the latest government Covid-19 guidelines

## Let's Get Started!

- We are running this club through the PE department and there will be chocolate prizes en route, along with Epraise and certificates!
- The challenge is open to everyone so get your family and friends involved.
- Please note – If you are walking, you need to set strava to 'run' on the app to register on the leader board.
- We are looking forward to seeing your progress!!
