

Purple Pen Time

Look through work and with your PURPLE PEN make any alterations, this could be adding more detail, changing spellings or adding missing information???

SPaG - Spellings and alterations must be written out 3 times correctly on the back page in your booklet.

EBI – Improvements to your work must be done in purple pen for written work.

??? – work is missing information and needs finishing

Learning Objective

To understand how to use a sewing machine safely & accurately

To begin to recognise the main parts of the Bernina Sewing Machine

SO THAT

Learning Outcome

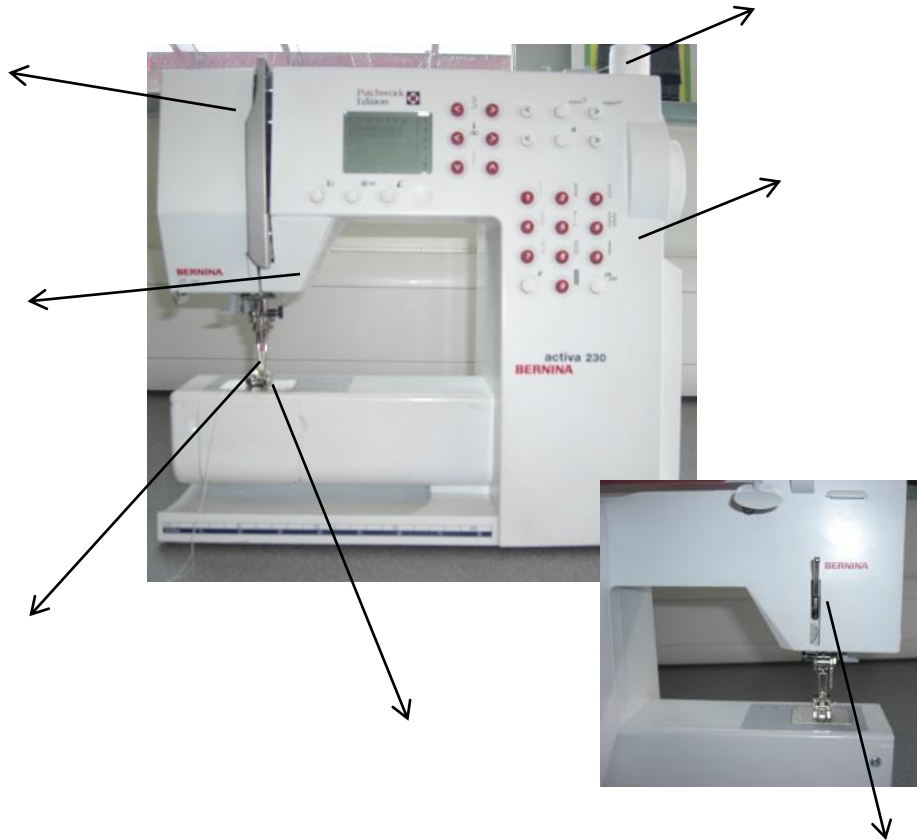

To set up the sewing machine correctly and complete a driving test with control and accuracy.

Key Words:

Sewing Machine Safe & Correct Operation

Below are the names of the key parts of a sewing machine. Use them to label the above sewing machine

Hand Wheel, presser foot, needle, presser foot lever, thread spool, reverse stitch control, take-up lever

Health and safety is very important when using a sewing machine.

Can you write five health and safety rules you have learnt in today's lesson?

Sewing Machine Practical Challenge

Skills	 	 	
I can correctly set up the sewing machine with the mains lead and foot pedal			
I can raise and lower the presser foot to secure the work.			
I know and can locate the on & off switch on the sewing machine.			
I can keep the needle on the dashed line while sewing.			
I can sew at a slow and steady speed			
I can sew corners precisely using the stop, pivot, turn technique			
I can show accuracy and control whilst sewing around curves and bends.			
The threads are neatly cut using the thread cutter on the sewing machine.			
I can switch the sewing machine off when finished.			

To improve I need to.....

Name _____

Stick your driving test here

Pass
Pass with practice
Fail

Brain In Gear

5 minute challenge

Brain In Gear - The Main Parts

Label the main parts of the sewing machine.

Sewing Machine

Can you think of any safety rules for using a sewing machine?
